

Beau Rivage Golf Club

TOP 10 MEMBERSHIP VALUE POINTS

#1 A Truly Unique Layout, Pristine Conditions & Best Greens in Town

Great membership has to start with great golf and at Beau Rivage that's exactly what you'll find: A very fun but challenging layout that defies the flat landscape of the coast, exceptional course conditions year-round and the best greens around that will test your game and keep you coming back for more.

#2 Play Anytime You Want with Advanced Tee Time Reservations

Club members enjoy the exclusive convenience of priority tee times. This means that you can play whenever you like to play without any issues. Club members can book tee times up to four weeks out!

#3 Looking for a Game? You Won't Have to Look Far

Perhaps the greatest benefit of joining a club is the camaraderie that comes from being around others who share your passion. At Beau Rivage, you'll never have to worry about finding a match with people like you, no matter how high or low your handicap may be. Our active club membership has matches every day of the week and we host a variety of organized golf leagues throughout the year.

#4 Complete Practice Facilities to Get You Playing Your Best

Aside from the award-winning course (4 Stars, Golf Digest's Best Places to Play) Beau Rivage also features an elevated driving range with target greens, an expansive 10,000 square foot putting green, chipping green with sand bunker and a private lesson area reserved for PGA instruction. With practice facilities this good and half-price driving range options, you'll have no excuse not to work on your game.

#5 Casual Clubhouse Facilities & Relaxing Environment

The plantation-style clubhouse houses a variety of amenities for our member's convenience. A fully-stocked Golf Shop offers the latest in merchandise including clubs, apparel, accessories and novelty items. Members enjoy complimentary use of our interactive golf handicap program (service provided by Carolinas Golf Association/USGA) and discounts on club-fitting and repair with our resident club-smith. Located right next door you'll find our Signature 19th Hole, The Veranda Bar & Grill. The Veranda is the perfect spot to kick back and relax before or after a round, offering a laid-back atmosphere with flat screens, outdoor porch-lounge overlooking the grounds and quality menu options at great value (plus daily breakfast, lunch and bar specials!). Whether you're grabbing a quick bite on the turn, enjoying a beverage over post-round analysis or taking in the picturesque views, there is always something for everyone at The Veranda.

#6 Preferred Member Pricing & Loyalty Rewards

Club members receive reduced pricing (20%) on everything from merchandise and food and beverage to guest suites and special event tickets. Beau Rivage offers a variety of membership classes to fit your personal preferences, as well as your wallet. Instead of forcing monthly spending minimums like most private facilities and country clubs, our member loyalty program does the opposite. It rewards our members for choosing to spend their hard-earned dollars at Beau Rivage with loyalty points that can be accrued and redeemed for Beau Rivage Gift Cards throughout the year.

#7 The Perfect Place to Entertain Friends or Make New Ones

While the quality of golf is important to club membership at Beau Rivage, so much more is offered. It is the perfect place to socialize, entertain and build lasting friendships with other like-minded players who share your passion for the game. Network with entrepreneurs and executives in the Wilmington area, trading referrals and advice like two-foot gimmies. There's nothing like a cooling dip in the pool after a long day on the links and there's nowhere better to kick back and relax than our swimming facilities with 65 ft. poolside Tiki Bar. Entertain all your family and friends during the summer months without paying daily fees (guests also have free access to tennis and other amenities).

#8 A Full Schedule of Tournaments and Competitions

If a little competition gets your blood going, you'll delight in our schedule of golf outings throughout the year like the Club Championship, Member-Member, Member-Guest Shootout and more. Whether you're interested in weekend tournaments or one-day competitive scrambles, you'll have plenty of opportunities to leave your mark in club history.

#9 A Full Schedule of Social Events, Both Casual and Formal

For those who don't live for golf alone, we offer a full schedule of socials throughout the year, ranging from dinners and barbecues to couples evenings out and pub nights with trivia, karaoke and more. Members can also purchase upcoming special event tickets for 20% off the public ticket price.

#10 A Family Club Where Everybody Knows Your Name

Beau Rivage is a semi-private golf facility. While a variety of club membership opportunities are available, the course and amenities are still open to the general public for a daily fee. This helps us to provide member services while trying to keep our club dues more affordable for more people. Our membership offerings aren't about exclusive right-to-use, assessments, forced spending minimums or contracts riddled with fine print. Instead, we aim to provide memberships that are value-driven from top to bottom at a casual resort atmosphere that makes everyone feel welcome. At the end of the day, it isn't just about the course quality, amenities, perks or savings you'll find at our facility... What truly makes Beau Rivage so unique is the fact that member satisfaction isn't just our job as a hospitality provider; it's our personal commitment as a family-run establishment since 2006.
